## Stainless Steel X-Type chain:

- No Corrosion—Prevents Corrosion in all Applications
- Proven Longer Product Life—Substantially Longer Product Life Shown Through Field Tests
- Comparable Cost—Dramatically Longer Product Life Makes Stainless Steel Equivalent In Cost to Standard Materials
- On Time Delivery
- Global Presence—Sales and Field Service on an International Scale
- Proven Product Reliability

## Stainless steel X-Type rivetless chain is suitable for a variety of industries such as:

- Food Processing
- Sterile/Clean Environments
- Underwater/Intense Water Applications
- Nuclear
- Pharmaceutical
- Food Industries
- Hostile Environments where Corrosion of Equipment is not Acceptable
